

PATH's mission is to end homelessness for individuals, families, and communities. We do this by building affordable housing and providing supportive services throughout California.

PATH'S STORY PATH San Jose first opened its doors in 2015. In expanding services to the Silicon Valley, PATH maintains its commitment to use evidence-based and best practices to serve our most vulnerable neighbors. Whether seeking one-time funds or ongoing resources, interim shelter or subsidized rentals, field-based or home-based services, PATH San Jose programs provide a menu of options designed to meet the varying needs of people experiencing homelessness. All programs are designed to address street homelessness in San Jose, and help local homeless individuals rebuild their lives and move into permanent homes we all deserve.

SAN JOSE OVERVIEW

Coordinated Street Outreach Outreach staff engages and builds trusting relationships with unsheltered individuals and helps enroll them into programs that seek to stabilize their wellness and housing. Our staff conducts assessments, identifies needs and challenges, and makes referrals to services that will help people move off the streets and into homes of their own. Field-based, intensive case management services designed to quickly bring our unhoused neighbors home.

Interim Housing Evans Lane bridge housing community opened in 2021 and shelters up to 48 families. PATH's wrap-around services aid residents to quickly transition into permanent housing.

Permanent Housing Villas on the Park created 84 permanent supportive homes for individuals emerging from homelessness. All residents pay an affordable rent based on household income.

KEY PROGRAMS

Site-Based programming activities are designed to enhance residents' natural strengths, equipping them with the skills and confidence to improve their quality of life and the confidence to successfully transition in homes of their own.

PATH Staff proactively engage potential landlords and offer housing navigation services to each of its clients. Support is also provided by clinicians to ensure each resident has easy access to physical and mental health support they need.

Rapid Resolution- Short-term Our staff helps individuals quickly exit homelessness and move into their own homes through housing placement assistance, security deposit assistance, short-term rental assistance, and stabilizing case management.

Multidisciplinary Supportive Services teams provide both mobile, intensive case management services to clients.

Employment Services Employment services provides training, resources, and case management to help individuals find employment. Employment Specialists work directly with employers to help individuals gain employment quickly. In addition, PATH's employment services help facilitate resume and skill development opportunities, and link residents with living-wage hiring managers across Santa Clara County.

Service Animal Friendly PATH recognizes that animals are not only members of the family, but also can play an important supportive role for many of our residents. We welcome our residents services and emotional support animals at PATH properties, even featuring a two-dog run at Evans Lane.
