PATH'S A TOAST TO HOME

PATH (People Assisting The Homeless; epath.org) held it's A Toast to Home event in early June at Sunstone Villa in Santa Ynez. The fundraiser benefited the myriad supportive services the nonprofit organization provides to the homeless population in Santa Barbara County, including employment training, mental-health care, and building affordable housing. The event, which featured food and wine tastings, live music, a silent auction, and education on PATH's programs, raised \$60,000.
